

**BasicObject**

```
graph BT; Word --> String; String --> Object; Object --> BasicObject
```

The diagram illustrates a class hierarchy with four levels. At the top is a dark gray box labeled 'BasicObject'. Below it is a red box labeled 'Object', connected by an upward-pointing arrow. Below 'Object' is an orange box labeled 'String', also connected by an upward-pointing arrow. At the bottom is a blue box labeled 'Word', connected to 'String' by an upward-pointing arrow. Each box has a black border and a subtle drop shadow.

**Object**

**String**
